DEWAS TECHNO PRODUCTS PVT. LTD.

We introduce ourselves as one of the leading manufacturers of "STORAGE SYSTEMS, COMPACTORS (Mobile Shelving Systems) and RACKS SUPPORTED WAREHOUSE".

We have Heavy & Light Duty Racking System made out of our cold roll formed sections, which can take a uniformly distributed maximum load up to 5750 kgs per shelf by use of modern material handling equipments like fork lifts etc. This system does not call for any welding at site; even then one is free to change the loading levels upwards or downwards.

We plan the system as per the customer need and space available. Our racks and compactor system are widely used for different material handling application generated at all levels in different industries and sectors such as Automobile, Pharmaceutical, Engineering, Hospitality & Catering, Logistics, Supermarkets, Electronics, Retail, Food and Beverages, Agriculture & Seafood, etc.

PRODUCTS

We offer a wide range of Giraffe products which helps in the storage of large, bulky items as well as light items.
